

## PREFACE

So far the rules regulating travelling allowance formed part of the Sikkim Government Service Rules issued by the Establishment Department in 1974. Subsequent amendments to these rules were issued sometimes by that department and mostly by Finance Department through notifications which were scattered over different places. Though these rules, by and large, met the requirements of the time they were made, were by no means comprehensive. The need for a set of comprehensive Travelling Allowance Rules in one place to meet the present-day-requirement has, therefore, been felt for quite sometime. This compilation is a first ever systematic effort in this direction.

..

2. Finance department will be responsible to keep this volume upto date by issue of correction slips as and when necessary. The Accountant General and the heads of departments are requested to bring to the notice of the Finance department any suggestions for corrections or additions that may be considered necessary.
